Dear Rhys

**The National Sports First Aid Course**  
**16th February 2020 - Hibernian Training Centre, Ormiston, EH35 5NG**

I have great pleasure in enclosing your certificate following the successful completion of the National Sports First Aid Course. Your certificate is valid for three years and we will contact you nearer the time about requalification.

I hope you enjoyed the course. As you know the aim is to try and improve basic first aid knowledge of what to do during an incident within our day-to-day lives working with sportsmen and women. I hope you feel more confident about your ability to assess and act in a situation.

Please feel free to mention the course to colleagues and encourage anyone who wishes to participate to give us a call.

We would be grateful if you could take a few minutes to leave us some feedback about your experience doing the course: <https://www.surveymonkey.co.uk/r/KQ3PHLD>

Again, best wishes and congratulations.

Yours sincerely

Dr John A. MacLean
