1. ACCESSIBILITY

1. Tweedmouth Rangers continues to strive for wider access to matches by offering:

1.1.2 More than 40 % of tickets to each game are made available to non-season ticket holders. Season ticket holders are hereby defined as those possessing a Tweedmouth Rangers season ticket card.

1.1.3 Concessions are available for senior citizens aged 65 and over, and for junior supporters under 18, full-time students and disabled supporters. Almost 100% of seating offers an un-restricted view to supporters. The club however reserves the right to amend/alter concession prices of admission if required and would announce details for any particular game prior to this on official club website

(Our meaning of “restricted view” is where you have to physically move to gain an unrestricted view. Movement of the head to the side to gain a view is not considered a restricted view).

1.1.4 Three family sections can be made available when and if required. This decision will be at the discretion of the club for a particular game.

1.1.5 Support for disabled and visually impaired supporters and their carers. Please contact Club Secretary.

1.1.6 The Club Policy on abandoned matches is listed separately under the Club Policies header on

Tickets for cup competitions are announced to supporters following discussions between the clubs and Police. Away clubs will receive a minimum of 10 % of tickets, and tickets for Cup matches are usually offered to season ticket holders and official supporters clubs in the first instance, and then to the general public.

As a general rule, ticket refunds are only issued in exceptional circumstances and at the discretion of the club. For fuller details of the Club’s refund policy please contact the Club

2. AWAY SUPPORT

2.1 The Club’s supporters are allocated tickets for away matches if needed as follows: tickets go on sale to season ticket holders and official supporters’ clubs in the first instance, and then if any remain, they go on sale to the general public. The hosting club determines the cost of these tickets, however consultation with the away club may occur as appropriate.

2.2 The Club does not charge admission prices to supporters of a visiting club which are higher than those charged to our own supporters for comparable accommodation. In particular our concessionary rates offered to senior citizens and junior supporters apply to supporters of a visiting club. The Club also intends to offer tickets for away visually impaired fans at the same admission price and with the same facilities as home fans. See also note on Concession prices listed at 1.1.3 above.

2.3 The Club abides by the ESFL and SFA rules governing the allocation of tickets to visiting clubs. See also 1.1.3 above.
